SERVING THESE COUNTIES IN THE TWIN TIERS

*Bradford County | Potter County | Sullivan County | Tioga County, NY | Tioga County, PA*

When you care deeply about something, no dream is too big—or too small. Together, we can ensure you make a lasting impact on the things that are most important to you. Whether you want to leave a legacy, memorialize loved ones, or simply give back, CFTT has the expertise to help you do good in your backyard.

We hope these stories inspire you in the ways they inspire us.

## Dear Friends

Turbulent and unprecedented times – these phrases burst upon us in recent months as coronavirus exposed both the fragility of our social service safety net and the seemingly unending generosity of our friends and neighbors.

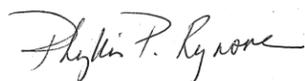

Each of our grants helped nonprofits pursue worthy missions. Unrestricted funds, from donors past and present, are used to make competitive grants through a time-tested application process. Other grants are made in accordance with the wishes of donors. Some gifts “pass through” CFTT to support favored charities, while others create more permanent named funds.

Last year, our donors made gifts totaling \$454,918. There are now 116 different named funds operating within the Community Foundation for the Twin Tiers with a year end market value of \$8,020,977. Each fund is accomplishing its mission. In fact, any charitable purpose can be accomplished through the Community Foundation for the Twin Tiers.

We invite you to learn more by reading this annual report, or by contacting our staff or any member of our Board of Directors. We also encourage you to consider what missions you can accomplish through thoughtful philanthropic and estate planning.

We are grateful for the opportunity to connect generous people with the causes they care about in the place they love. We look forward to maintaining this momentum throughout 2021 and working with you to drive meaningful and enduring change toward healthier, stronger communities for all.

Thank you,

Phyllis Rynone

“As I learned about the benefits of [CFTT] and how you could have a fund that could help a love that you have in perpetuity, it just made a lot of sense to us,” she added. “This library has always been thriving, but financially it’s been tough. We had to watch every penny we spent and limit the books we could buy. We wanted to offer as much as we could at our own library.”

**Susan Storch**

Designated Fund

To ensure ongoing support for the Allen F. Pierce Free Library

“When I first had the idea, I went to CFTT and talked to them about it,” Stroup said. “I wanted to do grants in honor of my friends, but I didn’t want to name the fund after them because I wanted eventually for it to be large enough to recognize all student-athletes. To be able to do that for multiple families and sports would be awesome.”

**Matt Stroup**  
Bradford County  
Designated Fund

To provide for the ongoing needs of athletic programs at Troy High School

“It’s a small community, but the library itself has a strong support base,” said Sue Miller, a second homeowner in Potter County and a Galeton Public Library board member. “People come down, sit outside, and read a book. The library is an integral part of the town.”

Floyd Lounsbury died in 2018 but knowing how he felt about the Galeton Public Library, his wife Beth and the couple’s son and daughter created a memorial fund in his name with the library as the beneficiary.

“Investing can be a tricky business,” she said. “Everybody has different ideas on how to do it, and most of us are not experienced investors. But when you put it with a community foundation, they have people who are professional investors and know how to maximize it. [CFTT] can take care of all the legal stuff and setting everything up so that it’s safe.”

Because of Stevie's background, it made sense for the fund to benefit students who shared her interests in humanities and the written word. And when Doc died in 2018, Jim and his siblings knew they needed to similarly pay tribute to the man who spent decades as the town's trusted veterinarian by widening the scholarship's focus.

"Our parents led by example that education and hard work are important," he said. "We're just trying to give back to the community, realizing that every little bit helps to get these kids going to college."

"I told Suzanne, 'There really aren't mental health facilities in Sullivan County,'" Preston recalled. "So I said, 'If I give money, I'd like it to go to children who have emotional or mental health issues.' And some of this money would have to go to transportation because people are so spread out there."

"Ted was very involved in the community and always wanted to give back. We were married 49 years, and I knew him for 51. He was my best friend, the love of my life, and he just loved Sullivan County. He'd be totally behind all this."

"When we were doing the estate planning, he quickly realized that there was going to be a significant amount of money available that he felt he and his family didn't need," attorney Mark Dixson said. "So, he decided to put a portion of his estate into a foundation that would benefit the children of Tioga County."

"I think Linda would be quite pleased with all of this," Jim said. "We both learned the importance of giving as we got older. I don't want to say we were poor, but we didn't have a whole lot [growing up], and I think I was very fortunate my whole life to have gone to college, medical school, and more. I felt like I've been so blessed that I have to give back."

“Both funds help so many people, directly and indirectly,” Thomas Putnam said. “The scholarship fund for choirs enables children to participate who might otherwise not be able to, and it’s a wonderful way to honor a remarkable woman. The HG Endowment Fund will help to keep this community nonprofit alive and well for generations to come.”

“When I retired, I knew I wanted to set up some kind of permanent endowment fund that would support young people,” she said. “I really wanted to encourage and support other people that could pursue such a rewarding career. My husband (Ken) knew my career gave me so much pleasure and thought it was too bad that it had to stop. I said, ‘Well, this could be a way that I could continue having an influence on young people.’”

## The Community Foundation for the Twin Tiers

### Hope lives here.

The Community Foundation for the Twin Tiers (CFTT) works to improve the quality of life in five counties: Bradford, Potter, Sullivan, and Tioga, PA; and Tioga, NY. We address community needs with sustainable, long-term solutions. We believe in the power of neighbors helping neighbors, residents solving local problems, passionate people showing compassion for the region we all love. We believe action solves problems – and creates hope. And with hope, anything is possible.

CFTT develops a spirit of philanthropy, supports nonprofit organizations by connecting donors to community needs, and builds permanent charitable funds. But we can’t do it without you.

### Ways to help.

Everybody can help. Anybody can be a philanthropist. Individuals, families, nonprofits, and businesses all support CFTT – and you can, too. You can donate to an existing fund or create your own. We’ll be happy to work with you, your financial advisor, and your attorney to ensure that, whatever plan you choose, it will achieve your philanthropic goals.

### You can donate by:

- IRA Charitable Rollover
- Planned Giving

### Types of Funds

Community Foundation for the Twin Tiers directs 18 funds that have been established by individuals, families, nonprofits, businesses, and Community Foundation itself for charitable purposes.

#### Competitive Community Grant Funds

Increase the impact of your gift, and put it to work solving our community's most pressing problems, not just alleviating symptoms. Competitive grant applications are carefully vetted by our Grants Committee, and, after thorough due diligence, grants are awarded based upon community need, impact, and organizational capacity. Gifts may be designated to specifically support certain areas, such as animals, arts & culture, human services, education, conservation & environment, civic engagement, or recreation.

Community Impact Funds have been established for each county in our five county areas. These funds may be added to and will meet the most pressing issues in that county.

#### Donor Advised Funds

Donor advised funds offer the advantages of a private foundation, yet have greater tax benefits. They are especially useful for donors who make a charitable deduction one year and make distributions from income or principal in future years. Donors are able to participate actively in the giving process by recommending organizations to receive grants.

#### Field Of Interest Funds

Field of interest funds allow a donor to invest in specific causes. These funds can support a broad array of interests such as the arts, education, or health. The donor specifies his or her interest at the time the fund is created and may rely on Community Foundation to identify organizations capable of making the greatest impact.

#### Designated Funds

Designated funds ensure long-term support for a specific nonprofit organization identified by the donor at the time the fund is established. The named organization receives an annual disbursement from the designated fund.

#### Organization Funds

Nonprofit organizations may place their endowed funds at Community Foundation, thus assuring their donors that funds earmarked for the future will be invested wisely and used appropriately. Community Foundation manages the funds as part of its investment portfolio and distributes payments.

#### Scholarship Funds

Community Foundation's scholarship funds bring together students in need and individuals who care about postsecondary education to enable more students to reach their educational goals. Scholarship funds may be established to benefit a specific student.

### Fund Structures

After identifying the appropriate fund type to achieve your goals, a fund structure is subsequently selected to align with the anticipated size, activity level and life span of your fund. The fund structure determines the applicable administrative fees and how the fund's assets are invested.

#### Spend Down

With a Spend Down fund, gift principal is wholly available for granting. Spend Down funds can be thought of as charitable checking accounts, where there is regular, ongoing grant activity.

#### Endowment

Endowment funds provide stable, perennial financial support. An endowment operates similarly to a private foundation, yielding a set percentage for granting each year while eliminating administrative duties. You may recommend grant recipients or pass your charitable legacy to your children. Investment income accrues to the fund, and a quarterly administrative fee based on a percentage of assets supports the Foundation's operations.

#### Blended Option

Blended option funds offer fund holders the ability to participate in the investment returns of the Foundation's portfolio. These funds may function like a Spend Down fund or an endowment fund, depending on the needs of the fund holder, but are not formally endowed. Investment income accrues to the fund, and a quarterly administrative fee based on a percentage of assets supports the Foundation's operations.

### Get a Grant

There are two ways to get a grant from the Community Foundation:

#### Donor-recommended grants:

The Community Foundation stewards a variety of donor advised funds. Grants are awarded from a donor advised fund based upon recommendations from the donors who set up the fund or their designated representatives.

#### Competitive grants:

The Community Foundation has several funds that award grants on a competitive basis. Each competitive grant fund has a unique focus area, like youth or strengthening vulnerable families. Each fund also has different application requirements.

Please see our website for competitive grant deadlines for grant programs.

### Scholarships

Education changes a person's life.

The Community Foundation working with donors empowers students to realize their potential and achieve success.

It's no secret that higher education is the ticket to a better life. Students who attain degrees -- two-year, four-year or postgraduate -- earn more and live longer. College helps families pull out of poverty, and the effects of education are felt across communities and through generations.

A college or technical school education is becoming increasingly more crucial. Scholarships are an important way to pay for that education. And creating a scholarship fund is one of the most effective ways to contribute to scholarships.

If you are seeking a scholarship, please visit our website at [twintierscf.org](http://twintierscf.org).
